Oh Cindy ain't you noticed that several of your friends
have moved on

And the street outside is just a little too quiet

And your local papers run out of news

I'm not persuading you or disengaging you

But Cindy you and me we got to move

Can you refuse, no time to lose

We'll hit the high road early this morning

So don't be late, don't hesitate

This dream can pass just as fast as lighting

And oh Cindy incidentally baby I ain't putting you on

Can you refuse, with nothing to lose

We'll hit the high road early this morning

So don't be late, don't hesitate

This dream can pass just as fast as lighting

Oh Cindy don't you worry 'cause between us we can
make it through

There ain't nothing no no nothing in the world I can do
without you

So Cindy get your coat on leave the rent with the gent
up in the penthouse

Turn your music so loud let's attract a big crowd

We'll drink a round to this town and bid goodbye
