Hey - what am I doing standing here on the corner of
West 8th Street

and the 6th Avenue

Ah, skip it.

Nothing

Keith! Watcha, watcha doing? (whistle)

Oh, I think the time has come to get out, get out,

Get up, get out, get into something new

Get up, get out, into something new

Oh! And it's got me moving -- got me moving
honey!(4X)

My my my, my my my, my my my, my my my my,

Poor man eyes a rich man

Denigrates his poverty

Rich man loves a poor man

Envies his simplicity.

Get up, get out, into something new

Get up, get out, down into something new

Oh, and it's got me moving,

Oh, and it's got me moving

Oh, and it's got me moving....(repeat)

Still stand accused
