Ain't no use in crying

Stay away from me

Standing in the kitchen

Looking way out cross the fields

You see a face in the window

It not real, it not real

Ain't no use in crying

Stay away from me

Ain't no use

Standing at the station

Gazing down the track

There ain't no train coming baby

I ain't never, never coming back

Standing in the balcony

Looking way towards cross the sea

If you see your ship come a sailing

It not me, it not me

It's not me

Stay away from me

Hey you

Ain't no use, ain't no use

Stay away from me

Ain't no use in crying

Stay away from me
