Pretty beat up

pretty beat up

since you put me down

yea, since you left me lying round

since you eighty-sixed me

never re-stitched me

my face is a mess

pretty beat up

yea you ought to see my face

yea its a mess

you oughta see inside in my heart

I'm marked for life

I'm marked for life

pretty beat up

pretty beat up

pretty beat up

pretty beat up

pretty beat up

pretty beat up

pretty beat up

yea, I'm just like a battered baby

just left on the street

you ought to see the state

I've been cut with a razor

don't you cut me up, don't you cut me up

I'm pretty beat up

pretty beat up
