I'm walking through broken glass just to keep you  
satisfied

I'm cutting every artery just so i can pass on by

I'm not trying to make you mad

no I'm not trying to do you wrong

But no matter how hard I try

the fallout won't be long

I'm running at a breakneck pace

(just to get on by)

I'm running at a breakneck pace

(to say what's got to be said)

I'm running at a breakneck pace

(and i'm not slowing down)

I'm running at a breakneck, a breakneck

The tight-rope is snapping as I'm falling to the ground

But I guess you'd rather watch me die than hand away  
your crown

I'm not trying to make you mad

No I'm not trying to do you wrong

But no matter how hard I try

The fallout won't be long

[I'm running at a breakneck pace

(just to get on by)

I'm running at a breakneck pace

(to say what's got to be said)

I'm running at a breakneck pace

(and i'm not slowing down)

I'm running at a breakneck, a breakneck] x2

I'm running at a breakneck

I'm running at a break neck
