When I'm not with you

I'm thinking about you

I see you in my dreams

And I am always with you there

In my dreams I'm with you

Chorus:

I wanna hold you in my arms

I wanna feel your arms around me too

I wanna wake up next to you

Not just in my dreams

Not just in my dreams

When I am with you

I hardly believe it's true

You were only in my dreams

Then you were here with me

I never wanna let you go

(Chorus x2)
