in a house by the tracks

I want, i want you back

in a dress that's painted black

i want you back, i want you back

all the ways my mother taught me how

i want, i want you now

in any place you'll allow

i want you now, i want you now

it's never very hard stayin' true

when i'm stayin' true to you

and your kisses are all i think about

your purpose and your moves and your grooves

and the little things you do

and the silly things you love about

i called, you came

i called, you came

it seems to be our only way

i'll be driven of the kissin'

that i'm missin'

truly wishin' that you'll listen

when i sweetly ask to you

strip tease for me, baby

strip tease for me, baby

strip tease for me, baby

aaaah!

all the ways you never ever had

i want, i want you bad

you know i'll never make you sad

i want you bad, i want you bad

as if i never said the worst

i want, i want you first

the only thing that can quench my thirst

i want you first, i want you first

it's never very hard stayin' true

when i'm stayin' true to you

and your kisses are all i think about

your purpose and your moves and your grooves

and the little things you do

and the silly things you love about

i called, you came

i called, you came

it seems to be our only way

i'll be driven of the kissin'

that i'm missin'

truly wishin' that you'll listen

when i sweetly ask to you

strip tease for me, baby

strip tease for me, baby

strip tease for me, baby
