Rap:

Wham Bam Thank U Mam  
Let's Get Down With Another T-Jam  
Anyway U Slice It, Dice It  
Move It, Move It, Come On Let's Do This

Chorus:

It Feels So Good 2 Do It Your Way  
Won't U Come Follow Do It My Way, Baby  
I Wanna Feel U Deep Inside  
U Got me Hooked, I'm On Your Line

I Am A Woman, U R A Man  
Let's Get Together & Do Just What We Can  
We'll Paint The Night A Thousand Shades So Bright  
What I Have 2 Give 2 U  
Will Make U Feel Alright

It Feels So Good 2 Do It Your Way  
Won't U Come Follow Do It My Way, Baby
