Visit "[Proud To Be Canadian](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Our fair country, Canada, is north of USA.

Our Maritimes are lovely and our prairies give us hay.

Oh, you might think you Yankees are better than us  
Canucks.

Well, we don't need no microchips inside our hockey  
pucks.

We know that you've got Disney World,  
and you keep it very clean.

Well we don't have Bob Dole,  
but we can drink when we're nineteen.

We may watch your TV shows for hours and hours and  
hours.

We'll give you Alan Thicke, but Shania Twain is ours.

Chorus:

We're proud to be Canadian.

We're awfully nice to strangers, our manners be our  
curse.

It's cool in many ways to be Canadian.

We won't say that we're better, it's just that we're less  
worse.

Your beer's not too tasty and your weather can be beat.

We all fly south in the winter time to escape the snow  
and sleet.

We're pleased to say that we've enjoyed all your

southern charms.

But we get sunburnt when we exercise the right to bare  
our arms.

(Chorus)

Alanis Moriset she is our latest pride and joy.

She used to sing about high school dances and  
chasing afer boys.

But now she is fed up and about as angry as can be.

She's got one hand in her pocket, and the other's on  
guard for thee.

(Chorus)

(repeat)

Beers are not enough
