last night I  
I saw you standing  
and i started, started pretending  
I knew you and you knew me too  
And just like a roni  
You were too shy  
But you weren't the only 'cause so was I  
And i've dreamed of you ever since  
Now i've built up my confidence  
Girl next, next time you come my way  
I'll know just what to say  
(Can we talk for a minute  
Girl i want to know your name  
Can we talk for a minute  
Girl i want to know your name)  
I started to write you letters

But i wanted to be more clever  
I wanted to get down and sweet talk to you  
But just like a baby  
I could not talk  
I tried to come closer  
But could not walk  
And i think of it every night  
How i just could not get it right  
If we ever come close again  
I know what i'll say then  
(HOOK)  
Oh girl, one more chance  
With you again  
I will not let it go  
Oh please, give me just one more chance for love  
(HOOK)
