featuring Cappadonna

glasses/jewelry? tinkling

You my Daddy whore (2X)

laughing

[???] Whoever she gonna do anyway

But bust it, bust it though baby, bust it

Who else, who else is gonna...

Verse One: Ol Dirty Bastard

It's dedicated to all you bitches

Knew this bitch named Traj, she had a hella fine ass

Candy-ass, blew my hole in the past

Niggarette gave me gonorrhea

Pussy dick to the tippy toe like ballerina

Boy you shoulda seen her

She had a babyface creamer Purinas

Called up talkin Tina

I put my dick in a broom

She blew my head like a balloon

I had her walkin on the moon

Verse Two: CappaDonna

Yo, I seen you at the five and dime wastin your time

Oh you shine, I'm lookin at your ass from behind
You walked by smellin like watermelon
You might make me a felon, my eyeballs swellin
My nuts start yellin, excuse my prick
Wanna have a talk with you, I'm sick
My medicine is can I walk with you, fantasy
After that we can cheat, laid on the bed
Handcuffed with hard meat, long stroke smackin
Smack it then broke, nothin can't stop my
continous poke, compound
Porno flick music, Daddy came with it when I wrote it

Verse Three: Ol Dirty Bastard

Dirt Dog be bouncin on bitches like fog
I pollute the air up like smog, bitch
I'm up my jacuzzi, peepin this smoothie
My bitch is a floozy, Dirt Dog ain't choosy
Pussy move me, pretty black dick up in the booty
I like it muddy or swampy
By now you find your ass up shitty creeky
Don't got no fuckin room me and my momma and my
TV
Blackberry squeeze
Bitch who a tease, titties small, I got used to the
squeaks
Fuck that shit, I'm through with this bitch
Old hen please can't get a bank of these

welfare cheese, now to blow fifty G's

overseas, I'm doin the breeze, in my 850

Verse Four: RZA

Suicidal, she been in more hotels than bibles

Idle worshippin bitch wasn't the type to make bridle

Sprung, on how the bitch maneuvered her tongue

From the top of his dick, to the bottom of his ass split

I told the God to jet quick this wicked bitch was a harlot

but had him trapped up inside the Charlotte Web

She wasn't choosy fucked for movie and a loose leaf

cigarette, pussy stay wet and juicy like members

Big ass in tight denim

Had the most faithful niggaz sinnin against their
women

and enjoyed, to watch relationships get destroyed

This unemployed welfare bitch was non-void

and shameless, her attitude was blameless

Even though she had a hundred dicks on her namelist

Her obsession, caused niggaz to get, the ass cheek
injection

The bitched lied, said she had urinary tract infection

I tried to warn em, and bomb em, but she conned em

Wanted niggaz to fuck her raw dog without no condom

woman moans ooooooh, ahahhh, ohh

You people are all trying to acheive the impossible

That's exactly what we've done

But you'll fail, and you'll all die

If we die, the next generation will fight them too

And the one after them, for as long as they must

And eventually we shall succeed
