(verse 1)

he opens his eyes
can't see anything
his sight is blurry
cant remember anything

he makes his way out the door
and into his car
and makes his way all the way to the party

(verse 2)

he drives to the east side
to his bestfriends house
he wakes him up
and tells him theirs an awesome party

his friend gets dressed
and off they go
to the place where everyone wants to go

(chorus)

its everyday life for them (for them)
they won't be home till' ten (till' ten)
all they like to do is have fun (have fun)
they won't go home till' they're done

(verse 3)

they arrive there
they're having a good time
they're there for 1000 hours
because no one cares

untill the cops came
and busted the whole thing up
they're both on their own
maybe see eachother at home

(chorus)

its everyday life for them (for them)
they won't be home till' ten (till' ten)
all they like to do is have fun (have fun)

they won't go home till' they're done

(bridge)

(chorus)

its everyday life for them (for them)

they won't be home till' ten (till' ten)

all they like to do is have fun (have fun)

they won't go home till' they're done
