[ alternative version of Planned Obsolescence ]

Love, breaks apart is a myth of human kindness  
Love, breaks apart is a myth of human kindness  
Love, breaks apart is a myth of human kindness

Panic in the worried night with the tempting, rises  
Panic in the worried night with the tempting, rises  
Panic in the worried night the tempting rises

No doubt that she'd desire blind faith in all surmises  
No doubt that she'd desire blind faith in all surmises  
No doubt that she'd deny blind faith in half-surmises

Because

Any modern man can see that  
Any modern man can see that

Piety obsolete  
Faith obsolete  
Mysticism obsolete  
Prophetic vision obsolete

Any modern man can see that  
Any modern mad can see that  
Love, breaks apart is a myth of human kindness  
Love, breaks apart is a myth of human kindness  
Love, breaks apart is a myth of human kindness

Panic in the worried night with the tempting, rises  
Panic in the worried night with the tempting, rises  
Panic in the worried night the tempting rises

No doubt that she'd desire blind faith in all surmises  
No doubt that she'd desire blind faith in all surmises  
No doubt that she'd deny blind faith in half-surmises

Because

Any modern man can see that

Any modern man can see that

Piety obsolete

Faith obsolete

Mysticism obsolete

Prophetic vision obsolete

Any modern man can see that

Any modern mad can see that
