[Jimmie Dale Gilmore]

Chorus:

Did you ever see Dallas from a DC-9 at night?
Dallas is a jewel
Yeah, Dallas is a beautiful sight
Dallas is a jungle
But Dallas gives a beautiful light
Did you ever see Dallas from a DC-9 at night?

Now Dallas is a woman who will walk on you when
you're down
But when you are up she's the kind you wanna take
around
Now Dallas ain't a woman to help you get your feet on
the ground
And Dallas is a woman who will walk on you when
you're down

Oh, I came into Dallas with the bright lights on my mind
I came into Dallas with a dollar and a dime

Dallas is a rich man with a death wish in his eyes
A steel concrete soul with a warm-hearted love in
disguise
A rich man who tends to believe in his own lies
I say, Dallas is a rich man with a death wish in his yes

Oh, I came into Dallas with the brights lights on my
mind
I came into Dallas with a dollar and a dime
