Ooh Yeah  
Well, Well  
Come on baby

There's no deeper love, deeper love  
Deeper love baby  
Than the one I feel for you  
There's no deeper love, deeper love  
Deeper love baby  
Every word I say is true

First thing in the mornin'  
Till last thing at night  
You're the only thing on my mind  
Ain't no doubt about it  
I'm crazy for you  
And there's nothin' that I won't do

To show how much I care  
Cause nothing can compare  
You're the one, the one for me  
Believe me

There's no deeper love, deeper love  
Deeper love baby  
Than the one I feel for you  
There's no deeper love, deeper love  
Deeper love baby  
Every word I say is true

The moment that I saw you  
The very first time  
You stirred emotions deep inside  
My soul's on fire, my heart's in your hands  
Trust me baby, 'cause I'm your man

Till the end of time, I'll love you till I die  
You're the one, the one for me  
Believe me

There's no deeper love, deeper love (No ,No)

Deeper love baby  
Than the one I feel for you (No ,No)  
There's no deeper love, deeper love  
Deeper love baby  
Every word I say is true

Movin' closer  
Wanna feel your body next to mine  
All night it's so right  
Hold on tight let's do it over and over again

Yeahh, I'll show how much I care  
Cause nothing can compare  
You're the one, the one for me  
Believe me  
There's no deeper love, deeper love  
Deeper love baby  
Than the one I feel for you  
There's no deeper love, deeper love  
Deeper love baby  
Every word I say is true

There's no deeper love, deeper love  
Deeper love baby  
Than the one I feel for you  
There's no deeper love, deeper love  
Deeper love baby  
Every word I say is true

There's no deeper love, deeper love  
Deeper love baby  
Than the one I feel for you  
There's no deeper love, deeper love  
Deeper love baby  
Every word I say is true
