(You know girl, As long you're here with me, we'll be
together for the rest of our lives.
And girl, I only wanna tell you one thing baby, Uh Huh,
Yeah, You're so easy to love.)

You're so easy to hold
So easy to touch
And when you're not beside me
I miss you so much

Like a beautiful song
You're easy to love

You're so easy to talk to
It's easy to see
You just captured the moonlight
And gave it to me

Like a beautiful song
You're easy to love

It's easy thinking about tomorrow
As long as you're with me today
The road is sometimes hard to follow
But together we'll find a way

You're so easy to hold
So easy to touch
And when you're not beside me
I miss you so much

Like a beautiful song
You're easy to love

You're so easy to talk to
It's so easy to see
You just captured the moonlight
And gave it to me

Like a beautiful song
You're easy to love

It's easy thinking about tomorrow
As long as you're with me today
The road is sometimes hard to follow
But together we'll find a way

(Girl, You're so easy to love...)

You're so easy to hold
So easy to touch
And when you're not beside me
I miss you so much

Like a beautiful song
You're easy to love

You're so easy to talk to
It's so easy to see
You just captured the moonlight
And gave it to me

Like a beautiful song
You're easy to love

You're Easy to Love
You're Easy to Love
You're Easy to Love
