For so long, i've been keepin' this in  
I can't go on, just a livin this lie  
Cause wrong is wrong, (I'm sick and tired of bein'

And right is right, (I just wanna live right, yeah)  
(All my friends say Don't, tell, your girl the truth, but I  
had to  
My papa used to preach, a truth, shall set you free  
And i'm free at last now, cause there's something I  
gotta tell you)

Chorus- All / (Clay):

There's something that you should know  
I've been creepin' with the girl next door  
I'm sorry (i'm sorry)

There's something that you should know  
I've been creepin' with the girl next door

(Liar, Liar, that's what I was)  
I broke the golden rule (the golden rule, betrayed your trust)  
Now that you know (all that i've done)  
Am I, still, (your number one)  
(Cause my friends say, my friends say)  
Don't, tell, your girlfriend the truth, (but I had to)  
(My papa used to preach), a truth, shall set you free  
(And im free at last now)  
(All I wanna do, is be with my girl, my girl, oh-ohh)

Chorus- All / (Tilky)

There's something that you should know  
I've been creepin' with the girl next door  
I'm sorry (i'm sorry)
