Talking-Ryan:

Aww yeah, I'm ready
Cuz i've been waitin' for this moment, for a long long
time
And now that I got my chance
I'm gonna make this the best night you've ever had
Trust me, you're the girl of my dreams, girl

Chorus 1x-All:

I'll say what she wants to hear
I'll do for her I don't care
I'll tell you now, if you're not aware
She's the girl of my dreams
And if only what I thought could be
Has become reality
Heaven's doors, they brought to me
The girl of my dreams

Verse 1-Stevie

Look in the mirror
And get yourself together
This is the moment you've been waiting for
Cuz it's that time to make, the perfect first impression
I will be courting the one I adore, yeah

Clay & TJ / (Tilky):

Because I waited (waited), anticipated
(That one day for me, that this could actually be)
(So I) I'm not gonna let this slip away, then regret it
(I will take this opportunity with a smile)

Chorus 1x-All:

I'll say what she wants to hear
I'll do for her I don't care
I'll tell you now, if you're not aware
She's the girl of my dreams

And if only what I thought could be
Has become reality
Heaven's doors, they brought to me
The girl of my dreams

Verse 2-TJ:

I will make sure that tonight goes perfect
Give her the time that she will never forget
Do anything to please her 'cuz she is worth it
Cover all angles, and be at your best

Clay & TJ / (TJ)

Because I waited (waited), anticipated
(That one day for me, that this could actually be)
(So I) I'm not gonna let this slip away, then regret it
(I will take this opportunity with a smile)

Chorus 1x-All:

I'll say what she wants to hear
I'll do for her I don't care
I'll tell you now, if you're not aware
She's the girl of my dreams
And if only what I thought could be
Has become reality
Heaven's doors, they brought to me
The girl of my dreams

All / (Stevie):

I'll say what she wants to hear
(And I'll do anything she wants me to do, 'Cuz she's)
She's the girl of my dreams (oh yeah)
If only what I thought could be (oh all that I thought
could be, yeah)
(Oh she is) the girl of my dreams, Ohh
I'll say (i'll say) what she (what she) wants to hear (Cuz
she's)
(The girl of my dreams)
I'll do (I'll do) anything (anything) to please her (Cuz
she's)
The girl of my dreams
(My dreams) my dreams (all night) all night (reality)
cuz she's
(The girl of my dreams)

TJ:

I'll treat, her right

All the time, she's the girl of my dreams

Chorus 2x-All:

I'll say what she wants to hear
I'll do for her I don't care
I'll tell you now, if you're not aware
She's the girl of my dreams
And if only what I thought could be
Has become reality
Heaven's doors, they brought to me
The girl of my dreams
