

Take Five

"Never Far Away"

Visit "[Never Far Away](#)" on MotoLyrics.com

[1st Verse]

Everything I do is all done for you
Lady I'm yours
And everywhere I go
You're always on my mind
You're all I adore
And I'll go
Outta my way
Just to assure
That our love endures I'm yours

[Chorus]

Girl I'm never far away I'll be right there (right there)
To keep you nice and warm I'm rushing right home
Girl I'm never far away I'll be right there (right there)
To protect you from the storm I'm rushing right home
Girl I'll be there I'll be right there

[2nd Verse]

I don't need you say
That I love you
A million times a day
Just the little things I do
All done for you
That's how I display
Love
And I'll go
Out of my way
Just to assure you baby
That our love endures I'm yours

[Chorus]

Girl I'm never far away I'll be right there (right there)
To keep you nice and warm
(Girl I'll keep you nice and warm,
You know I'll keep you nice and warm
You know I'll keep you nice and warm)
Girl I'm never far away I'll be right there (I'll be right there)
To protect you from the storm I'm rushing right home
Girl I'll be there I'll be right there

[Bridge]

You don't have to go and check my pager
Check my phone and search my pants to figure me out
(ha)

Cause I'm an honest man
Don't need a plan, a stronger man
Cause girl there is no doubt
My love's real (as real as it comes)
Even though we are a million miles away from each
other

I'm still right here, right here for you
(Here for you, here for you) I could search a million
years

And still I wouldn't find anyone as beautiful as you
So rest assured our love endures I'm never far away...
(I'm rushing home baby, I'm coming home baby) I'm
never far away...

(I'm rushing home baby, home baby, home baby) I'm
never far away...

(I'm rushing home baby, I'm coming home baby) I'm
never far away...

(I'm rushing home baby, home baby, home baby) I'm
never far away...

(I'm rushing home baby, I'm coming home baby) I'm
never far away...

(I'm rushing home baby, home baby,
home baby) I'm never, never,
never, never far Never, never, never, never far
Never far, never far I'm never far away I'm never far
away...

(I'm rushing home baby, I'm coming home baby) I'm
never far away...

(I'm rushing home baby, home baby, home baby) I'm
never far away...

(I'm rushing home baby, I'm coming home baby) I'm
never far away...

(I'm rushing home baby, home baby, home baby) I'm
never far away...

(I'm rushing home baby, I'm coming home baby) I'm
never far away...

(I'm rushing home baby, home baby,
home baby) I'm never, never,
never, never far Never, never, never, never far
Never far, never far I'm never far away I'll be right
there
