(Baby, I'm sorry
Please don't leave.
Baby Just, Just Give Me One More Chance...)

The trouble with my heart is it always goes astray
I guess that's the reason why you're leaving me this
way
Before you leave my love, there's something I must say
If you go, you'll turn my blue skies to grey
Please stay

(I Don't ever Want You To Leave Me...)

Sometimes when you're not there I squeeze my pillow
tight
I need to have you somewhere to make it turn out right
So I'll beg you girl - stay just one more night
If you'll stay, you'll turn my wrong ways to right
Please stay tonight

(I need you baby
I need you to stay by my side
I Love You...)

Oh baby stay just one more night
Oh baby stay just one more night (Please Stay)
Oh baby stay just one more night (Oh Baby Stay Just By
My Side)
Oh baby stay just one more night

Before you leave my love there's something I must say
If you leave, you'll turn my blue skies to grey
Oh, Please stay

(Girl If You Leave Me
My Life Will Never Be The Same
So I'm Asking You, Begging You..Stay..)

Oh baby stay just one more night...

Stay I just can't live without you (Oh, Oh baby)

Stay I just can't live without you(Without You baby)
Stay I just can't live without you(Don't You Go, Don't You
Go Baby)
Stay I just can't live without you

Being alone I just can't stand to be all alone (All Alone,
All Alone)
Being alone I just can't stand to be all alone

Being without you I know that I can't be alone (All Alone,
All Alone)
Being without you I know that I can't be alone

Stay in my corner
