Tilky:

There's something special about you,
(Could it be a spell you put on me, that got me loving
you)
In the middle of the night babe, I wake up to,
To a cold sweat, yeah
'Cause i'm thinking about you

TJ-(All):

It seems to me like it's make believe
A dream girl like you, wanting to (be with me)
So I pinch myself, to see if you'd fade away
Never went away, so I said to myself

Chorus-All:

If I would've known then what I know now
I would've saved my love for you, only you (only you)
And since I didn't know then what I know now
There's one thing that I know,
I'm glad I saved the best for last

Stevie:

I always think about me and you
(Shed a tear for every year, that me and you should've
been)
I'm gonna always tell you how I feel,
'Cause mamma told me never let, your silence speak
for you

Tilky:

It seems to me, like it's make believe
A dream girl like you, wanting to be with me
So I pinch myself, to see if you'd fade away
Never went away, so I said to myself

Chorus-All:

If I would've known then what I know now
I would've saved my love for you, only you (only you)
And since I didn't know then what I know now
There's one thing that I know,
I'm glad I saved the best for last

Tilky:

All the pain, i've experienced
Bad relationships, could've been avoided
If I only knew, you were up there
I would've saved all my love for you,

Tilky & TJ:

If I only knew...

Chorus-All:

If I would've known then what I know now
I would've saved my love for you, only you (only you)
And since I didn't know then what I know now
There's one thing that I know,
I'm glad I saved the best for last

If I would've known then what I know now
I would've saved my love for you, only you (only you)
And since I didn't know then what I know now
There's one thing that I know,
I'm glad I saved the best for last...

Chorus 'til fade W/ Stevie in background
