Verse 1 - Tilky:

I could hold, you close
Safe and warm against the dark and cold
I could keep, any promise I made
I would show you more than words can say

Verse 2 - TJ / (Tilky):

I could reach, the moon and the stars
And bring them down to you, where-ever you are
I could fall, down on my knees
I could pray that you'd belong to me (oh baby)

Chorus 1x - All:

So what do I have to do to make you love me,
The way that I love you
What do I say to make you feel,
The way I feel for you
I'd give you the world, if you would only be my girl
So what do I do, what do I do
To make you love me

Verse 3 - Tilky:

I could kiss, all of your tears away
And make the sun appear on a cloudy day
I could give, you the faith to believe
If only you'd believe in me
In me...

Chorus 1x

Oh yeah

Verse 4 - Stevie / (All):

Oh I, I can't go on (I can't go on), livin' this way
I'm lovin' so strong, my heart aches
And why, why can't you see (why can't you see)

That baby i'll do anything to make you love me

Chorus 2.5x
