Verse 1-TJ:

Something in the spring  
Is making me grow in love with you babe  
Something in the summer breeze  
Is blowing me into your arms babe

Hook -TJ:

Girl you know you've got me open  
There's no time for anyone else  
You're a priceless pearl in my possession, and you are  
rare  
If you ever start to wonder, what you mean to me  
Let me sum it up in just 2 syllables  
Water...

Chorus -All:

You are the earth beneath my feet  
You are the wind that's blowing me  
You are the fire in my heart  
You are the purest ever made  
Water, water

Verse 2-Tilky / (All):

Girl, since I drink from your fountain, I  
(I thirst no more babe)  
And girl you are, (the virtuous woman)  
That I desire

Hook -Tilky:

Girl you know you've got me open  
There's no time for anyone else  
You're a priceless pearl in my possession, and you are  
rare  
If you ever start to wonder, what you mean to me  
Let me sum it up in just 2 syllables  
Water, Water...

Chorus -All:

You are the earth beneath my feet  
You are the wind that's blowing me  
You are the fire in my heart  
You are the purest ever made  
Water, water

Bridge 2x-Tilky / (All):

I would run through the middle of the desert  
At the speed of light  
(Just to have one drop of you babe)

Chorus 1x -All:

You are the earth beneath my feet  
You are the wind that's blowing me  
You are the fire in my heart  
You are the purest ever made  
Water, water

4x:

Girl you're like water to me
