[Intro] (Woo-weee!) There will be no stoppin (uh-huh)
Cause when you go harder than somebody man
(yeahhh) This right here (uh-huh) is domination
[Chorus: repeat 2X] This here what you call domination
It's a combination of skill and concentration So rise to
the occasion, do something amazin Cause anythang
that I do, I dominate it [Verse One] I'm stronger, go
harder, I'm a monster I conquer, dominate anything I
want to My passion, my skill, my focus, my hunger Just
to put it simple, I'm the *{*fucking shit*}* Yes I, just want
it mo' than the next guy And no you, can't do the things
that I'm gon' do Real aggressive, lil' rough around the
edges A man on a mission smashin the competition
Who my next victim? Get 'em, I got 'em (woo) Let me
know if anybody else got a problem Yeah, cause they
don't even stand a chance Got the, eye of the tiger,
and the, heart of a champ I just want it more yeah man
I need to win it Pedal to the floor, we gon' push it to the
limit Yeah man, they wishin' but they can't *{*fuck*}*
with me though Even when it gets all quiet, I'm still on
beast mode (woo!) [Chorus] [Verse Two] See messin
with the boy, you will quickly be destroyed So just, stay
out my way as somethin you should avoid I think it's
time to show the world what I got Yeah, I think it's time I
turned it up a notch Man, I figured it out, why they mad
at us Cause I'm in my zone, oh yeah, I got my swagger
up I put a hurtin on anyone who test me Close my eyes,
take a deep breath, okay I'm ready Yeah, yeah, I'm
ready, yeah I'm ready to go I'm the boss, I'm the
leader, I'm the man in control See I make my own rules,
baby I don't lose Trust me, *{*fuck*}* around with me it
get ugly Bring it down low, let me talk to you quietly If I
want you, I'ma get you, there;s no way for you to hide
from me Towerin, overpowerin, anybody To put it
simple homey there's no way that you can stop me!
[Chorus] [Verse Three] It's how I operate, I dominate,
knock 'em down like dominoes Let's conversate,
concentrate, I'ma tell you all I know Go hard, everyday,
that's the way you gotta go When they ask me if I'm
gon' stop, I say hell naw! Never stop, never quit, I'm
only gettin better *{*bitch*}* I was good before but I'm

better than I ever been Yeah, see, you dealin with a
warrior The fire in me burin like the sun down in Florida
Tell me if you want it I'ma show ya what's in store for ya
And let me if you want more, cause I got more for ya
Ugghchk, so rugged and raw I live for this, screamin
out, gimme some more! Airtime, we go all out, until it's
finished I dont know why they came, we all know I'm
gon' win it Ain't no time to act timid, I'm the best that
ever did it! {*laughing*} Yeah, I think they know what
this is [Chorus] - 2X [Outro] Get it We work hard...
