I give my life
Give my life give my life
Give my life to be in
The book of love
Give my life give my life
Give my life to gods above
When I go when I go when I go
Come see my spirit fly
Give my life give my life
The night I'm sacrificed

I give my life
Give my life give my life
Give my life to be in
The book of love
Give my life give my life
Give my life to gods above
When I go when I go when I go
Come see my spirit fly
Give my life give my life
The night I'm sacrificed

There's a wizard who pampers the virgins
He's collecting a potion of blood
There's a blizzard when drowning the valley
Take the virgins away by the flood

On a mountain the wizard perfecting
He's collecting an ancient perfume
Every tear every drop of the essence
Breaking hearts in the temple of doom

I give my life
Give my life give my life
Give my life to be in
The book of love
Give my life give my life
Give my life to gods above
When I go when I go when I go
Come see my spirit fly
Give my life give my life

The night I'm sacrificed

I give my life
Give my life give my life
Give my life to be in
The book of love
Give my life give my life
Give my life to gods above
When I go when I go when I go
Come see my spirit fly
Give my life give my life
The night I'm sacrificed

There's a castle the height of construction
There's a pipeline directing the stream
In a chamber a lizard extracting
To the goddess a potion of dreams

At the top of the stair hail the axeman
And the angels the peak of the scene
Pass the virgin on army of lovers
Looking grand on a video screen

I give my life
Give my life give my life
Give my life to be in
The book of love
Give my life give my life
Give my life to gods above
When I go when I go when I go
Come see my spirit fly
Give my life give my life
The night I'm sacrificed

I give my life
Give my life give my life
Give my life to be in
The book of love
Give my life give my life
Give my life to gods above
When I go when I go when I go
Come see my spirit fly
Give my life give my life
The night I'm sacrificed
The night I'm sacrificed

I give my life
Give my life give my life
Give my life to be in
The book of love
Give my life give my life

Give my life to gods above
When I go when I go when I go
Come see my spirit fly
Give my life give my life
The night I'm sacrificed
Give my life give my life
The night I'm sacrificed
