from the underground came a brand new sound  
but I guess I must of brought it to the wrong town  
cause I was treated like a stupid day dreamer  
by a choir of liars in beamers  
nobody with a wallet ever sang along  
I believed in myself but they said I was wrong  
on an island with no capital  
operation unsolicited and laughable

wo oh wo oh  
wo oh wo oh

serious as hell but a big joke  
you couldn't find demo with an interscope  
I was looking for my chance, for a break for a shot  
but we're gonna have to pass was all I got  
now the rich all bitch how they were used  
did they ever have to play the pay to play blues  
Buddy if you're up there listening  
could you tell me whose ass needs kissing

I FOUND MY DESTINATION  
A PLACE IN THE STARS LIKE A CONSELLATION  
NEVER COME DOWN CAUSE WHAT I FOUND  
MEANS EVERYTHING TO, EVERYTHING TO ME

yeah, yeah, yeah  
yeah, yeah, yeah  
now the A to the R drive new cars  
while me and the boys rock dive bars  
as these crack dealers, soul stealers  
rock mad crowds  
new sound outside just not allowed  
it's a we don't hear a single situation  
we don't hear a single situation

I march to a brand new drum beat

I FOUND MY DESTINATION  
A PLACE IN THE STARS LIKE A CONSELLATION  
NEVER COME DOWN CAUSE WHAT I FOUND  
MEANS EVERYTHING TO, EVERYTHING TO ME

I FOUND MY DESTINATION  
A PLACE IN THE STARS LIKE A CONSELLATION  
NEVER COME DOWN CAUSE WHAT I FOUND  
MEANS EVERYTHING TO, EVERYTHING TO  
EVERYTHING TO ME
