C'mon Jericho,
You know I gotya, yeah
Break the walls down
Break down the walls
For those about to rock
What you want?
Baby you know you're Judas
And I 'm your priest,
Baby what I've got is not from the least.
Bring it from the stage in the rage of the beast,
Step in the arena and
Break the walls down
Step in the arena and
Break the walls down

I'm awaken from a deep sleep,
You're all weak,
You're livin' in the agony of defeat,
I am the master of your whole heap,
And I am the pack that flock you like sheep,
Step into the town and break the walls down
You're heartbeat is the only sound.
Step into the light and then you'll know
You were stoped and droped by the walls of Jericho

What you gonna do, Jericho, coming down, you feel me
now?
Hun? Break the walls down, Jericho
For those about to rock
Set the clock,
For those about to jump,
I'm all pumped
For those about to go,
Watch me flow
Break Down the walls of Jericho!€
