The Nebula rising up out from the black of decieving
lies
A new star is born now he brings you the light with his
hands untied

They tried so hard to follow,
But no one can
Inside you're all so hollow,
You understand

Hey
Nothing you can say
Nothing's gonna change what you've done to me
Now, its time to shine
I'm gonna take what's mine while you're burning inside
my light

I gave and you take and I waited for you But, I made a
mistake
It's clear that your fear is so near Because I see the
look on your face

You tried to hold me under
I held my breath
Alone and now you wonder
What I possess

Hey
Nothing you can say
Nothing's gonna change what you've done to me (hey)
Now its time to shine (shine)
You're gonna burn in the light

Hey
Nothing you can say
Nothings gonna change what you've done to me
Now its time to shine
I'm gonna take what's mine while you're burning inside
my light

guitar bridge*

Hey
Nothing you can say
Nothing's gonna change what you've done to me (hey)
Now, its time to shine (shine)
I'm gonna' take what's mine

Take whats mine
Hey (hey)
Nothing you can say! (say)
Nothing's gonna change what you've done to me (hey)
Now, its time to shine (shine)
I'm gonna take what's mine

You're gonna burn in my light
