Get up, Get up, Get up
Drop the Bombshell

Get up, Get up
This out of control

Get up, Get up, Get up
Drop the Bombshell

Get up, Get up

(get gone)

Now look who's comin, yeah,
Look who's back
Quick drop the bombshell
straight to the track

The 21st century killing machine
rubbed on the inside
found in a team

Now Im not the same
cuz' your not the same
and your not the same,
cuz' I'm not the same,
and we're not the same
cuz' we've never been the same
and we just wanna survive

Get up, Get up, Get up
Drop the Bombshell

Get up, Get up
This out of control

Get up, Get up, Get up
Drop the Bombshell

Get up, Get up

(get gone)

Get up, Get up, Get up
Drop the Bombshell

Get up, Get up
This out of control

Get up, Get up, Get up
Drop the Bombshell

Get up, Get up

(get gone)

Now you wanna save us
and you want it all
and you the transmit
cuz you want the call
and you are the one that make the world's collide
but since that has happened
grows much in size

I'm not the same

I'm not the same

I'm not the same

I'm not the same

Get up, Get up, Get up
Drop the Bombshell

Get up, Get up
This out of control

Get up, Get up, Get up
Drop the Bombshell

Get up, Get up

(get gone)

Get up, Get up, Get up
Drop the Bombshell

Get up, Get up
This out of control

Get up, Get up, Get up

Drop the Bombshell

Get up, Get up

(get gone)

Get up, Getup

(drop the bombshell)

Get up, Getup

(drop the bombshell)

Get up, Get up, Get up
Drop the Bombshell

Get up, Get up
This out of control

Get up, Get up, Get up
Drop the Bombshell

Get up, Get up

(get gone)

Everybody just drop the bomb
don't let it hit town
Everybody just drop the bomb

yeah,yeah!!

Everybody just drop the bomb
don't let it hit town
Everybody just drop the bomb

yeah!!
yeah, yeah, yeah!!

yeah!!
yeah, yeah, yeah!!
