Evolution is a mystery
Full of change that no one sees
Clock makes a fool of history

Yesterday's too long ago
Don't agree with what I know
Tomorrow comes the place to be

I see the line in the sand
Time to find out who I am
Looking back to see where I stand
Evolution, Evolution

See my reflection change
Nothing ever stays the same
But you know the names the game
We don't know what it means
Nothing's ever what it seems
Unforgiven, unforeseen

I see the line in the sand
Time to find out who I am
Looking back to see where I stand
Evolution, evolution
(Till die hope)
