I'm back! And I'm better then ever!
Got a knack, for making things better.
Face facts, 'cause your opinion don't matter.
This manic, is gonna step on whomever.

It's time, get in line, 'cause I'm gonna make some
changes.
Kicking ass, takin' names, cleanin' house all over baby
I'm burnin' out the deadwood, burning down the town
, 'Cause there's only my way, so get your ass in line.

On top, they said that I've lost it,
But chop me down, and I swear it's gonna cost ya.
Now I'm back, the boss of you morons,
To never count me out is one thing you can count on.

It's time, get in line, 'cause I'm gonna make some
changes.
Kicking ass, takin' names, cleanin' house [?]
I'm burnin' out the deadwood, burning down [?]
'Cause there's only my way, so get your ass in line.
