So f**k your rules man

So f**k your rules man

So f**k your rules man

So f**k your rules man

So f**k your rules man
You step up you'll go down fast
I've got to release all the
S**t that has made up my past

So go let your soul dance baby
Time to free yourself at last
Unshackle your life spirit
Fly away far from the past

She's like a lost flower
Growing up through a crack
In the busting sidewalk
Moving like a river so sad
So hey where we going
Tell me where we've gone
Was there love and fury
Energy and passion

So f**k your rules man
You step up you'll go down fast
I've got to release all the
S**t that has made up my past

So go paint your face and
Proclaim thy warrior soul
Cuz life is a brutal fight until we show
A shade of timelessness
For we are all distinct
And awaiting our
Transcendental release

So f**k your rules man

You step up you'll go down fast
I've got to release all the
S**t that has made up my past

So go let your soul dance baby
Time to free yourself at last
Unshackle your life spirit
Fly away far from the past
