Check, check, check, check... out my melody  
Special...

You think you're special, you do  
I can see it in your eyes  
I can see it when you laugh at me  
Look down on me  
You walk around on me

Just one more fight about your leadership  
And I will straight up  
Leave your shit  
Cause I've had enough of this  
And now I'm pissed  
Yeah ...

This time I'm 'a let it all come out  
This time I'm 'a stand up and shout  
I'm 'a do things my way  
It's my way  
My way, or the highway  
This time I'm 'a let it all come out  
This time I'm 'a stand up and shout  
I'm 'a do things my way  
It's my way  
My way, or the highway

Check, check, check, check.. out my melody

Just one more fight about a lot of things  
And I will give up everything  
To be on my own again  
Free again  
Yeah...

This time I'm 'a let it all come out  
This time I'm 'a stand up and shout  
I'm 'a do things my way  
It's my way  
My way, or the highway  
This time I'm 'a let it all come out  
This time I'm 'a stand up and shout

I'm 'a do things my way  
It's my way  
My way, or the highway

Some day you'll see things my way  
Cause you never know  
Where, you never know  
Where you're gonna go

Check, check, check, check... out my melody

Just one more fight and I'll be history  
Yes I will straight up  
Leave your shit  
And you'll be the one who's left  
Missing me  
Yeah ...

This time I'm 'a let it all come out  
This time I'm 'a stand up and shout  
I'm 'a do things my way  
It's my way  
My way, or the highway

Some day you'll see things my way  
Cause you never know  
Where, you never know  
Where you're gonna go

Check out, check, check... out my melody
