Who's that jumpin' out tha sky?  
R-E-Y Mysterio, Here we go, yeah we go  
When the mask out, the girls they pass out,  
the boys just black out, better tap out.

GO!  
Off the tops ropes so look out below,  
cauz, the next thing you know you'll be on the floor,  
What you gonna do when you're on your back,  
from a mean body slam, aw damn you're wak.  
You're like: 'What the heck?, All of a sudden,  
this dude's sittin' on my neck, where's the ref?'  
Straight from the WWE, how much trouble you'd see,  
when you face the man of mystery?  
Flippin' an' spinnin' an' doin' it fast,  
you can't remove the mask (Why?)  
Cause he's kickin' your ass. (C'mon)

Who's that jumpin' out the sky?  
R-E-Y Mysterio, Here we go, yeah we go

YEAH!

Who's that jumpin' out the sky?  
R-E-Y Mysterio, Here we go, yeah we go  
When the mask out, the girls they pass out,  
the boys just black out, better tap out.

Mr. Mysterious is serious,  
and he gets furious and dilerious  
and everybody's curious.  
Wanna know where he's from and know who is he.  
You don't know an damn thing, but he gets busy.  
The entertainer, and hes now on the stage  
and it dont matter if your in the ring or trapped in a  
cage.  
What he looks like, you're all dying to see,  
But guess what? Looks like a winner to me.

(C'mon)
