You came to me
in a dream last night.

You were standing
in a brilliant light.

One minute here
but the next you were gone.

I thought you could stay
but I was so wrong.

The end is here
The game is over
No more pretending
No more
NO MORE!!

The end is here.
The end is here.
The end is here.
THE END IS HERE!

THE END IS HERE!

-

(musical interlude)

THE END IS HERE!
