Verse 1]

Somewhere beyond happiness and sadness
I need to calculate
What - creates my own madness
And I'm addicted to your punishment
And you're the master
And I am waiting for disaster

[Chorus]

I feel irrational
So confrontational
To tell the truth I am
Getting away with murder
It is impossible
To never tell the truth
But the reality is
I'm getting away with murder

Getting away, Getting away, Getting away

[Verse 2]

I drink my drink and I don't even want to
I think my thoughts when..
I.. don't.. even.. need to
I never look back 'cause I don't even want to
And I don't need to
Because I'm getting away with murder

[Chorus]

I feel irrational
So confrontational
To tell the truth I am
Getting away with murder
It is impossible
To never tell the truth
But the reality is
I'm getting away with murder

Getting away [x9]

MURDER

[Verse 3]

Somewhere beyond happiness and sadness
I need to calculate
What - creates my own madness
And I'm addicted to your punishment
And you're the master
And I am craving this disaster

[Chorus]

I feel irrational
So confrontational
To tell the truth I am
Getting away with murder
It is impossible
To never tell the truth
But the reality is
I'm getting away with murder

Geting away, Geting away, Geting away

[Chorus]

I feel irrational
So confrontational
To tell the trurth I am
Getting away with murder
It is impossible
To never tell the truth
But the reality is
I'm getting away with murder
