"Deadman Walking"

You've done it now, You've done and made a big
mistake
And I cant allow, You to think you can just walk away,
So turn around,
and face the piper you're gonna pay,
'Cause the end is now,
This is gonna be your judgement day

A cheap shot, ThatÃ, 's the way that you play the game,
I was blindsighted, But things will never ever be the
same

Nice guys, except they always finish last, But bad
asses
Always kick an asshole's ass

You're gonna pay, You're gonna pay
ThereÃ, 's no forgiveness this time

You're gonna pay, You're gonna pay
It's my business, Your mine

You're gonna pay, You're gonna pay
I'm burning these walls to the ground

You're gonna pay, You're gonna pay
IÃ, 'm gonna bring you down

You're gonna pay, You're gonna pay

You're gonna pay, Your'e gonna pay

No more chances, No more excuses, no lies
Your stories ending, Time to say your goodbyes

Nice guys, except they always finish last,
But bad asses
Always kick an asshole's ass

You're gonna pay, You're gonna pay
There's no forgiveness this time

Your gonna pay, You're gonna pay
Its my business, Your mine

You're gonna pay, You're gonna pay
I'm burning these walls to the ground

You're gonna pay, You're gonna pay
I'm gonna bring you down

You're gonna pay, You're gonna pay

You're gonna pay, You're gonna pay
