Intro: (Wyclef Jean (Lil Wayne))]

Some live for the bill

Some kill for the bill

She wined for the bill

Grind for the bill

(And she used to be the sweetest girl)

Some steal for the bill, if they got to pay the bill

(And she used to be the sweetest girl)

Tonight Wyclef, Akon, Weezy and Nia

[Verse 1: (Wyclef Jean)]

High school she was that girl that make me do the hula
hoop around the gym

(Just to get a peek again, she's a 10)

High school she was that girl that make me do the hula
hoop around the gym

(Just to get a peek again, she's a 10)

Never thought she would come and work for the
president

Mr. George Washington (where my money at?)

She thought he'd call (where my money at?)

She had a good day, bad day, sunny day, rainy day

All you wanna know is (where my money at?)

Closed legs don't get fed, go out there and make my
bread

All you wanna know is (where my money at?)

She ended up in a road car, bruised up, scarred hard

All you wanna know is (where my money at?)

She thought he'd call (where my money at?)

[Chorus: (Akon)] (x2)

Cos' I'ma tell you like Wu told me

Cash rules everything around me

Singin' dollar dollar bill y'all (dollar, dollar bill y'all)

Singin' dollar dollar bill y'all(dollar, dollar bill y'all)

[Verse 2: (Akon)]

Pimpin' got harder cos', hoes got smarter

On the strip is something they don't wanna be a part of

Rather be up in the club shakin' for a thug

For triple times the money and spending it like they

wanna

They got they mind on they money, money on they mind

They got they finger on the trigger, hand on the nines
See everyday they feel the struggle, but staying on they grind

And ain't nobody takin' from us, and that's the bottom line

But I know, there's a drop in the block

You move slow, you getting' pressure from cops

You don't know, not to lay low

Because 25 to life's no joke

To all my real gorillas thuggin'

On top of corners every day strugglin'

All the beautiful women gettin' money

Washin' them dollar bills like laundry

[Chorus: (Akon)] (x2)

Cos' I'ma tell you like Wu told me

Cash rules everything around me

Singin' dollar dollar bill y'all (dollar, dollar bill y'all)

Singin' dollar dollar bill y'all(dollar, dollar bill y'all)

[Bridge: (Wyclef Jean)]

Money, money-money-money

Money, money-money-money

It drives the world crazy

[Verse 3: (Lil Wayne)]

(Weezy) She used to be (she used to be the sweetest girl)

She used to be the sweetest girl ever

Now she like sour and McGregor

She wears a dress to the T like the letter

And if you make it rain she will be under the weather

She used to run track back in high school

Now she tricks off the track right by school

She takes a loss cos' she don't wanna see her child lose

So respect her, I'll pay up for the time used

And then she runs to the pastor

And he tells her there will be a new chapter

But she feels no different after

And then she asks him€

[Chorus: (Akon)] (x2)

Cos' I'ma tell you like Wu told me

Cash rules everything around me

Singin' dollar dollar bill y'all (dollar, dollar bill y'all)

Singin' dollar dollar bill y'all(dollar, dollar bill y'all)

[Outro: (Wyclef Jean)]
Some live for the bill
Some kill for the bill (where my money at?)
She wine for the bill
Grind for the bill (where my money at?)
Some steal for the bill, if they got to pay the bill (where
my money at?)
