I lay my life at your feet  
Bring my tears and my shame  
Trade my all for your love  
All I want is you  
Standing here, far from light  
Covered in my pretence  
Longing for your embrace  
All I want is you

Rise up in me, let me start again  
Make me a prisoner, to your love  
Your love! Your love!

Not my tears, not my words  
Not my fame, not my works  
But your love and your grace  
Brings me back to you  
Waiting on healing and the salvation that comes from  
you  
To mend my heart, take my life  
Let me live for you

Rise up in me, let me start again  
Make me a prisoner, to your love  
Your love! Your love!
