[Intro: Wyclef Jean] (Lil Wayne)

Some live for the bill

Some kill for the bill (Rich Nice in your area, area...)

She winned for the bill

Grind for the bill

(Weezy...and she used to be the sweetest girl)

Some steal for the bill, if they got to pay they bill

(and she used to be the sweetest girl)

Tonight Wyclef, Akon, Weezy on the bill

[Verse 1: Akon]

Pimpin' got harder cause, hoes got smarter

On the strip is something they don't wanna be a part of

Rather be up in the club shakin' for a dub

Get triple times the money and spending it like they
wanna

They got they mind on they money, money on they
mind

They got they finger on the trigger, hand on the nines
See everyday they feel the struggle, but staying on
they grind

And ain't nobody takin' from us, and that's the bottom
line

But I know there's a drop in the block

You move slow

You gettin' pressure from cops

you don't know whether or not to lay low

Because 25 to life is no joke

To all my real guerillas thuggin'

On top of corners every day strugglin'

All the beautiful women getting' money

Washin' them dollar bills like laundry

[Chorus 2X: Akon]

Cause I'ma tell you, like Wu told me

Cash Rules Everything Around Me

Singin' dollar dollar bill y'all (dollar, dollar bill y'all)

Singin' dollar dollar bill y'all (dollar, dollar bill y'all)

[Verse 2: Wyclef Jean]

High school she was that girl that make me do the hula

hoop around the gym
(Just to get a peek again, she's a 10)
High school she was
That girl that make me do the hula hoop around the
gym
(Just to get a peek again, she's a 10)
Never thought she would come and work for the
president
Mr. George Washington (where my money at?)
She balls, he'd call (where my money at?)
She had a good day, bad day, sunny day, rainy day
All he wanna know is (where my money at?)
Closed legs don't get fed, go out there and make my
bread
All he wanna know is (where my money at?)
She ended up in a road car, bruised up, scarred hard
All he wanna know is (where my money at?)
She bawls, he'd call (where my money at?)

[Chorus]

[Verse 3: Lil Wayne]
(AND THIRD WEEZY!) She used to be the sweetest girl
ever
Whatever, now she like sour amaretta
She wears a dress to the T like the letter
And if you make it rain she will be under the weather
She used to run track back in high school
Now she tricks on the track right by school
She takes a loss cause she don't wanna see her child
lose
So respect her, I'll pay up for the time used
And then she runs to the pastor
And he tells her there will be a new chapter
But she feels no different after
And then she asks him, "Where my money at?"

[Chorus]

[Verse 4: Raekwon]
Yeah, light that..yes sir!
(AY RAEKWON!!!)
Move flow, then over the stove, open pie racks
and smoke and chain dangled, vein in my brain
tangled
Thinkin bout broth in both coasts is all on my money
made
I should be revealed to Oprah
But flashin to the times I was broke, no lights
No gas, couldn't buy Ivory soap
But got with a sick-type clique

You know, the smart ones who came through
frontin with the long jumps
About a week later, we on, we been, hate us
Shoebox and money lookin bummy my delagators
Or ride for me, hide from me, bust a 4-5 for me
Police come, see us gone, we survivors, shorty

[Outro: Wyclef Jean]
Some live for the bill
Some kill for the bill
She wined for the bill
Grind for the bill (And she used to be sweetest girl
Some steal for the bill, if they got to pay the bill (where
my money at?)
Tonight Wyclef, RAE-kwon, Weezy on the bill
WHERE MY MONEY AT??
