Cool with the Police
We Commit a crime it's Nothin'
Any nigga that say otherwise
Gonna get an old Fashion Ruffin'
And Very Often
Put that nigga in a coffin
We Awesome
Bring in more Cash and Drugs
Then them Mobb Deep Thugs
The Bitches wanna give us hugs
Them Tricks love the mugs
Smokin' Weed
Is part of the creed
Learned only if you read
The Handbook for Thugs
We Be wearin' Lugz
Trampin' through the streets
Rappin' to phat beats
Pick my shit up at fat beats
Respect the music

After my first album dropped

My Way into the scene

To be the main

Hook: Scratched by DJ Premier

Verse 4: Hedrush Napoleon
Hedrush
Smoke the brush
Only nigga to own a trust
Got caps to bust
So you know I must
Be the illest muthafucka alive
I Thrive
On the blood of Bitch ass niggaz
Single Figga Niggaz
No Doe Niggaz
No Game Niggaz
Who think they run game
After I finish with 'em
They turn up dead
Wit a bullet in they brain
I'm the same
Nigga you heard on family ties
Only now i gotta a kill record
and a list of Fucking Lives

Verse 5: Tragedy
Criminal Warfare
The Cartel come equipped
Beware
Here comes a scare
Get a taste first
We'll probably pull out ya hair
Maybe give you a dress to wear
That is the flair
The fuckin' warnin'
Stand Back then
And there won't be no mournin'
But act raw
Try to ball
Remember like the 701 Squad
We Takin' it all+
This is your downfall
So get on ya knees and crawl
Act proud
We'll cut off
Your fuckin' balls
Pin 'em to the walls in
You're muthafuckin' crib
Then we'll start cutin' you up
Limb by Limb
Until you are
A bloody mess on the floor
Hang a sign over your door
Do not enter
This is a Coalition Cartel Score
