Sometime you think you've lived before all that you live  
today

Things you do come back to you as if they knew the  
way

On, the tricks your mind can play

It seems we stood and talked like this before  
We looked at each other in the same way then  
But i can't remember where or when

The clothes you're wearing are the clothes you wore  
The smile you are smiling you were smiling then  
But I can't remember where or when

Some things that happened for the first time  
Seem to be happening again and so it seems we have  
met before  
And laughed before and loved before but who knows  
where or when
