Chorus:

A brother sayin hi to you (say it)  
I really wouldn't lie to you  
I wanna get inside of you  
Inside of you, what you try to do (can I hit it)  
A brother sayin hi to you (wish me luck)  
I really wouldn't lie to you (yea)  
I wanna be inside of you (fo real)  
And after I do, goodbye to you

Verse 1:

Watch my floors fo' sho', hock up the kitchen  
Suck me dry, let's get high, then wash the dishes  
You get three wishes if you're cute and ambitious  
Like Tisha and Denisha, boy them chickens was vicious  
Wicked, how I kick it, I stick it in the eye  
Oops, slid it on the accident  
But, when I first met her she was so ???  
So it made no sense why she did that for the hell of it  
We did it on the wall, me and my dogg  
And I met her at the mall  
Lakewood, so good, when I be inside of you  
I'm just tryna freak it, make it fly for you  
Make you wanna come back and get another piece  
And share with your peoples and tell your little niece  
My khackis every crease with the rubber in my pocket  
Ride it, devide it, and please don't knock it til you tried  
it

Chorus:

A brother sayin hi to you  
I wanna be inside of you  
I know I'm lookin fly to you  
I wouldn't lie to you, what'cha tryna do  
A brother sayin hi to you  
You know I wouldn't lie to you  
I wanna be inside of you  
And after I do, goodbye to you

Verse 2:

Ay ay, baby who with cause your thang like tendin girl  
Get it wit your fit in, and welcome to my world  
Fancy cars, yachts n pools, basketball courts that's  
made for high schools  
Backyard full of dogs, got a pawn full of fish  
But a bad girl, I think that's all that's missin from my list  
Unless you wanna be the girl that fill that void  
And grow with a real G homeboy  
I take you where you wanna be  
And I strip you buttnaked right in front of me  
Think I hop, beauty for that there, can see  
On the floor, at the mo' gettin low  
Two thirty real dirty I we ain't leavin em fo'  
close the do' and turn off the lights  
I love it when you coochie me extra tight  
Got you screamin dynamite, like ?Jay Jay?  
Hey hey, girl that's what ???

Chorus:

A brother sayin hi to you  
I wanna be beside of you  
I really wouldn't lie to you  
What am I to do, what'cha tryna do  
A brother sayin hi to you  
I wanna be beside of you  
I really wouldn't lie to you  
And after I do, goodbye to you

Verse 3:

I had a chick named Shamai, she love champagne  
What a little twist the thing Alaine  
She wadn't from America, so she couldn't speak  
English  
I wipped out my ?zizag? and baby spoked denglish  
Reminds me of the supper free, that I bumped in Frisco  
Same week buzzing another one up in Fresno  
Hey ya'knew, it seems that they knew what time it was  
I gotta glass of Hurricane, to get them all buzz  
Had them doin all type of craziness  
And one freak said "All I wanna do is get a homegirl  
???"  
I flipped, for a second, look here I wrecked it  
They gotta have that po-po, ??????????  
They be we twisted, in case you missed it  
See we gone keep this on the D??, It's our lil' secret  
I won't tell, if you won't tell, see

Cause you gone work your thang, BANG BANG

Chorus:

A brother sayin hi to you  
I really wouldn't lie to you  
I wanna be inside of you  
Inside of you, what am I to do  
A brother sayin hi to you  
I really wouldn't lie to you  
I wanna be inside of you  
And after I do, goodbye to you

A brother sayin hi to you  
I wanna be inside of you  
I really wouldn't lie to you  
What am I to do, what'cha tryna do  
A brother sayin hi to you  
I wanna be inside of you  
I really wouldn't lie to you  
And after I do, goodbye to you
