[Pharrell] Yesssirrr!

[Chorus - Pharrell Williams & Vanessa Marquez]

[V] Can I get more thrills?

[P] You know you want some more girl, so come on

[V] Can I get more thrills?

[P] You know you want some more girl, so come on

Let's get blowwwwwnnnn.. let's get blowwwwwnnnn..

[Verse - Snoop Dogg]

Looking at the ladies, all of them fly

I don't know which one I want dawg

I can't make up my mind, girl

So won't you make it easy on me?

Take this drink, then hit this weed

Two step wit me, let's slip to the dance floor

On and on and on and on we go

I'll dip you if you want me to

You see I really wanna get a little front wit you, bigidy
bump wit you

A nigga wanna hump you and then just comfort you

And then I'll pop the top and lay you on the cot, and get
you nice and hot

Yeah yeah, it's all to the real

We could do it like Guy, c'mon girl "Let's Chill"

[Chorus]

[Verse - Snoop Dogg]

Now you can fly the friendly skies

With the S-N double O-P D-O double G-Y

Now don't ask why, just keep looking good in the hood

Damn girl, you so fly! We could do what you want to

You say you drink Alize or was is Malibu? It don't really
matter though

You remind me of the time when I had a ho

She kept telling me Doggy Dogg I gotta go

So I let her get in the wind and co-macked her friend

2 plus 2, it equals 4, this is some shit that could last
forever more

I'm trying to put my bid in, naw I'm just kidding

Come on ma get in, and don't ask where we going
Pimping and hoeing, drink pouring and weed blowing,
you know it c'mon!

[Chorus]

[Verse - Snoop Dogg]

I've been looking at you, from the corner of my eyes
Checking out your hips, lips, tits and your theighs
I've been wanting to do you, for a mighty long time
You make a pimp wanna sing I - I - I
We'll head to the hills, your dreams I'll fulfill
We could do it how you want, cause I'm oh so real
Tell me you, naw I won't squeal
You wit Da Big Bo\$\$ Dogg so seal the deal
Pharrell got the Babyface and Snoop got the Whip
Appeal, so name the place
This love I bring to you, on the real baby girl
Won't you do me a favor and sing for Snoop

[Chorus]

[Outro - Pharrell & Vanessa]

You know you want it!! (if I got it I'm a give it to you)
So come and get it!! (if I got it I'm a give it to you)
If I got it (if I got it I'm a give it to you)
(Then you can get it) Ya know! Hey!!! Oh!!
Can I get more thrills? .. Can I get more thrills?
