Hey yo Jim man why don't ya, you don't you kick some  
of that  
You know, you know how you do it man  
It's a trip people don't even believe were together right  
now (wow) but tell  
your story you know the one I like say it for me (Ride,  
ride, ride)

Riders on the storm (Ride, ride, ride)  
Riders on the storm (Ride, ride, ride)  
Into this house we're born (Into this house we're born)  
Into this world we're thrown (Into this world we're  
thrown)  
Like a dog without a bone (Like a dog without a bone)  
An actor out on loan (An actor out on loan)  
Riders on the storm (Ride, ride, ride)

There's a killer on the road (Killer, Murder)  
His brain is squirmin' like a toad  
Take a long holiday (holidays, holidays)  
Let your children play (play)  
If ya give this man a ride  
Sweet memory will die (Die)  
Killer on the road, yeah (Killer, Murder)

[Snoop]  
Goin' off of this off of that with the Lizard king  
Bumpin' in the back (wow) how bout that (yeah)  
Driftin', Liftin', Swiftin', coastin', testaroastin'  
But the wheels won't stop 200 (errrr) on the highway  
fresh  
Up off the block he's a rider, na he's a killer dresses in  
all black  
But his hat says stealla (stealla)  
Petal to the metal I gotta go hard  
Drive by and say hello hey Fredwreck you my mello now  
let me  
here what I sound like acapella (shhh) wow ride dip  
swish now  
bring it back just like this like a dog with out his bone  
unlike

a G with out his chrome it's hard to imagine the homey  
dog in a  
jag and he's checkin' for the checkered flag comin' in  
first never  
In last cause my car to fast (zoom, zoom) I neva eva  
run out of  
gas cause I just to clean I do it upper class so fasten  
your seat  
belts its so hot it will even make heat melt (woo, woo)  
so get a bowl  
and roll and ride slip through the slip and slide

Like a dog without a bone  
An actor out on loan  
Riders on the storm  
There's a killer on the road  
His brain is squirmin' like a toad  
Take a long holiday  
Let your children play  
If ya give this man a ride  
Sweet memory will die  
Killer on the road, yeah

Need for speed I'm trying to take the lead hold on little  
homey  
Before you run into the trees (watch out, watch out) I've  
seen thinks that  
I would have never saw before hey yo Jim let'em in,  
let'em in open up  
My back tire smokin' (errrr) the whole street and now  
the police wanna  
Flash there lights and chase the dogg all night (woof)  
but I won't pull over  
Nor give up cause I just don't give a fuck (What, What,  
What)  
yeah from the side boy where we was born and raised  
straight up to ride  
boy (west side) continuously, (continuously) we get to  
an expeditiously  
keep the light on east side on snoop dogg and the  
doors  
And yeah we bout to ride on

Riders on the storm  
Riders on the storm  
Into this house we're born  
Into this world we're thrown (were thrown)  
Like a dog without a bone  
An actor out on loan  
Riders on the storm

Riders on the storm 5x

let's ride
