[Ja Rule]

Yeah, yeah, heh
You feel that
Can you feel that
Yall cant feel that, heh, yeah
We gonna do it like this
Real old school, shit
Take them back to the parks and shit
Do it like, we used to do it, you know
DJ Irv days, and shit

[Chorus]

Lets all get high, get out, feel free tonight
Temptations, is tempting
To have the time of your life
Lets all get high, get out, feel free tonight
Temptations, is tempting
To have the time of your life

[Ja Rule]

Come on y'all, tonight somebody sho nuff
Gon' tear the club the fuck up as soon as I hit the scene
All eyes on us, mean, and so vicious
A good nigga, bad intentions
Not to mention, them 12 engine benzes with fish lenses
We park right out front
To handle our business
The broads on the way in
Showin a little attention
Like, i fucked before but aint never call
Thats life you either love to live it
Or just live it, i live it to the limit
Champaigne finish gangsta
Image, platinum shades swingin
Then i do that 2 step that niggaz do
We dont really dance
We just rub the dick on the ass
And fill the glass with nothin but ??
And if they pop it gettin the poppin with me
Get my niggaz tonight baby, lets partaay!

[Chorus]

[Charli Baltimore]

Yo, uh

Now a party aint a party till chuck come through

Bring who? Rolled dolo jeans over Manolo's

Duke says I look better out the photos

And hotter in person, hottest when I'm cursin

Love my bitch thuggelbees

Strokin my ego, then he go

For the bubbly, nigga love me

We go to the vehicle, talk dirty

Past flirty, flight leavin at 5:30

It's hot in herre, foggin the windows

.....

Throw dat, I the designated driver

Chuck never the rider, gotta play

Passenger side beside them, whoa

Gotta be controllin when I'm rollin

Weed niggaz swollen, cock blocker

Hands on my knockers, he feelin them poppers

But Chuck never givin it up, livin it up

[Chorus] 1x

[Charli Baltimore]

Uh, Count me and My niggaz as OD'in

Rule got a bitch Korean, lap dancin

Off to the murder mansion, ride the shoulder

Benz and the Rover, Nigga we aint sober

Girl Interrupted, murder got me corrupted

With shots so that any lickin shots with the semi

Out the sunroof of the Bentley

Bottles all empty but niggaz got stashes

Never fuckin the glasses

[Ja Rule]

Ha, You know the Rule roll up in the party

Me and Charli, Ready to have them hotties

Rub up on my body, cuz after the club

Its the after set, with some pushin a little head

Is always the safe bet, she tell me V twizzy

In the Red Corvette, swervin lanes

?? a little pain and say what's my name, Rule Baby!

You know it, now lets get high

Take a ride with me tonight, yea

(Chorus) 3x

We gotta give a dance to this shit here ha-ha

Uh Murder Inc shit,
