I remember every little thing  
As you can't lose a memory that doesn't wanna leave  
My chest started pounding  
Heart skipped a beat  
Sometimes life can make you feel so incomplete  
'Cause I'm coming clean from everything

How do you like it  
How does it feel when the rain keeps falling on you  
And how do you like it  
How does it feel when the rain keeps falling  
The rain keeps falling on you  
(You)  
(You)

Such an innocent girl living life in a cold  
Cold world  
You give her mercy  
Give her glory  
A happy ending to the story  
'Cause I'm coming clean from everything

How do you like it  
How does it feel when the rain keeps falling on you  
And how do you like it  
How does it feel when the rain keeps falling  
The rain keeps falling on you

Let the water from the rain wash away this pain  
Let the sadness in your eyes bring you light  
'Cause I'm coming clean from everything

How do you like it  
How does it feel when the rain keeps falling on you  
And how do you like it  
How does it feel when the rain keeps falling  
The rain

Yeah  
How do you like it  
How does it feel when the rain keeps falling on you

And how do you like it  
How does it feel when the rain keeps falling  
The rain keeps falling on you  
(How does it feel)  
Yeah

Yeah  
How do you like it  
(How does it feel)

Yeah  
How do you like it  
How does it feel
