Conversations start again

This illusion's taking me nowhere

Talking to myself again

Wasting my time taking me nowhere

Im stuck inside my brain

It all remains the same

Stuck inside my brain

Ive gone insane

Looking to the past

Its moving away fast

Kicking my own ass

Ive gone insane

Repeating what I should have said

Repeating what I could have said Im there

Is this the dawning of again

Is this the story that I can't share

Im stuck inside my brain

It all remains the same

Stuck inside my brain

Ive gone insane

Looking to the past

Its moving away fast

Kicking my own ass

Ive gone insane

Conversations in my head

Im having

Conversations in my head

Im going nowhere
