You light up my day when you smile
Chase all my cares away when you say
That you love me
You start up a fire with a kiss
I'll never tire of this devotion

I like breakfast in bed
Black and white movies are best
Every night just like a honeymoon
I love my old porch swing
Skinny dippin' down by the spring
Twilight chasin' the fireflies with you
I'm glad you're mine
It's a beautiful life

You touch me with your gentle hand
Baby like no other man ever can
Touch me
You lift me up when I'm down
I'm happy when you're around
It's the sound of your name

We're like Venus and Mars
We're still joined at the heart
No one can separate us too
I love my dog and my cat
Sleepin' together on the welcome mat
Just like the way I'm next to you
I'm glad you're mine
It's a beautiful life
I'm glad you're mine
It's a beautiful life

Ohh I love my old porch swing
Skinny dippin' down by the spring
Twilight chasin' the fireflies with you
I love my dog and my cat
Sleepin' together on the welcome mat
Just like the way I'm next to you

I'm glad you're mine

It's a beautiful life
I'm glad you're mine
It's a beautiful life
I'm glad you're mine
It's a beautiful life
