Next song is Macaframa.

Yeah... for yall uneducated ass bitches (fuck you hoes)  
Yeah, yeah, yeah, foever hatin on a nigga thats havin  
thangs  
Nigga, these type of situations on lockdown, were da  
real love at?  
Yeah, yeah....

Aint no love for them hoes an Im knowin  
Bitches only jocking X-Raided cause I be flowin  
Thats why Im showin 'em love and affection  
In they silky sections my erections  
Spitten milky secretions in they directions  
When you in they presense, they say you king  
But when you aint around they clown liek you a peasant  
Fuck givin the bitches presents  
Diamond rings and things of that nature get you pussy  
fo sho  
That hoell date ya and inflate your ego  
But they got you hero zero fo show for all your actions  
You went to jail wit no bail an now aint nothin cracking  
Bet back when you was free you thought you had a  
silent female  
But now you cant even get a visit an got a bed fulla  
mail  
Movin lika a snail when you tryin to get her to handle  
somethin  
And late at night she got cum drippin out her  
bellybutton  
That good for nothin bitch is useless for a convict  
Im nuttin up on hoez, nigga fuck that cum shit  
Her cousins on my nuts like a little squirrel  
An I wouldve been to mack her if she wasnt a little girl  
But about two months from now that little girl gon turn  
18  
The number one draft pick on my hoop team

chorus 2x:

Im that gansta you answer to  
When I say bitch jump then thats whatcha do  
Im a fast talkin convict, blowin yo mind

Im workin macaframalama even if im in da slamma

It dont take much to keep yo man happy doing eight months

Bbut it aint no contact visits so you cant touch

An county time aint no joke

In Sacramento this shit will have you mental

'Cause you cant smoke

You be stressed out

Hopin that you get yo case

Three strikes tryin to wipe out my whole race

Now here comes yo wife since you done got your time

Saying that she cant hang. Bitch is you out yo mind?

She got everything you own

Vehicle, clothes, even yo home

Not a penny on yo bus cause tha bitch is gone

They send you to the branch then from there

Out to tracy

And one of the homies hooked you up with

This bitch Stacy

Shes white, overweight with bi-focals

But shes sending letters wit money or ?????

You dedicated to love an married her quick to hit that ass

On the first contact allowed visit she had you cummin hella fast

You lost youre pretty bitch but you gained a ugly soldier

Move over bacon, its time fo sizzleen to take over.

Cause doing time, its all about support

An the bitch is to come an let you make her pussy for it, tell 'em short

Chorus 1x

Now this is fo the homies that got them Nike wearing hoes

Ponytails in they hair sportin other bitches clothes

Ruggish, thuggish, raggedy like them up at the type that

Wakes up in the mornin put on some sweats an be like fuck it

Nigga dont lie, you know I just detailed yo babys mama

The type of bitch thats even crooked to be to start some drama

Like a comma, puttin pauses in yo sentances

Yall cant even get along on reconcilable differences

That bitch is famous from so many nameless sticks

That penetrated and shes gameless

Thats how you know shes never been with 'Raided.

Shes aimless, where is you headed? Bitch is you

knowin?

Gettin on my nerves like my bunkie when hes snorin  
He needed to leave or get rid a her at this moment  
An shake her like jordan does a basketball  
Upon niggas if you eva fall or take a loss  
Nigga that bitch is gone an look ???? for another nigga  
To lean on  
Shes a forty ounce swigga, weed smoker  
Needin to get that shit up  
Her beer belly overflapping  
Needin to do some sit-ups  
Shes lazy as can be anll never make no progress  
So shake that hoe thats all I can suggest, nigga  
X-raided locc

Dott Dogg:

Yeah, Dott Dogg said that, sorry ass beatch! [X-Raided:  
Beatch!] to all

Cause im workin  
macaframalama even if im in the slamma. Beatch!]

When I say bitch jump then thats whatcha do  
Im a fast talkin convict, blowin yo mind
